

Parent Information Sheet

Cardiff Montessori School and Nursery aspires to provide quality childcare & education for the local community and parents from further afield wishing to give their child a Montessori education. At Cardiff Montessori we recognise that our children are the future. The early years of a child's life shape the way they view themselves and the world around them. We view your child's time with us as an integral part of their journey to self-determination and discovery.

Being part of your child's journey is a great honour and we respect the trust you have in leaving your child with us. Montessori recognises that each child develops at their own pace and when given the freedom and respect they deserve children follow their own interests and flourish as confident & happy individuals.

Great emphasis is placed on observing your child and catering for their needs and interests; challenging them and setting them up for success. We want our nursery and school to be an extension of the loving environment you create at home.

To help parents make an informed decision about our provision please be aware of the following information available to you:

(Our school is conscious of the environment and to reduce paper wastage we primarily make these available to you in electronic format. However, if you require a hard copy please let us know as below)

- **School policies:** are available from our website and our School App. There is also a hard copy kept on the bookcase in the waiting area near the office. Alternatively you are welcome to ask the Head of Early Years to provide you with copies.
- **Aims and Ethos:** A leaflet is available outlining the school aims and ethos. You can download this from our website or view in on the School App. There is also a hard copy kept on the bookcase in the waiting area near the office. Alternatively you are welcome to ask the Head of Early Years to provide you with a copy.
